

ANIMAL FEED PRODUCT CATALOGUE

This is a list of all the products we source. Where catalogues are industry specific they include a list of products historically sold to businesses operating in that industry. The listing of any product does not imply that any reliance can be placed on it have any specific accreditations or meeting any specific regulations.

We do have some products and some batches of products that meet for example UFAS, Kosher and Food Standards Regulations but these are on a batch by batch basis as identified on the Certificate of Analysis for that batch.

Nothing contained in this catalogue shall be construed to imply any warranty or guarantee as to the suitability of a product for the Customers intended use. Customers must ensure they carry out any additional checks as applicable to their application of the product. The customer is solely responsible for compliance with any regulations relating to the onward sale of the ingredient or suitability for any intended use.
