Joseph Flach & Sons

Our Roots

As a trusted wholesaler of high-quality dried botanicals, herbs, spices and plant-based ingredients, Joseph Flach and Sons have been supplying businesses worldwide since 1882.

With over 2,000 global customers, 300+ trusted suppliers and the UK's largest range of over 600 dried botanicals in stock, we provide a reliable end-to-end procurement service. Built on quality, expertise and long-standing relationships, we help businesses source the botanical ingredients they need with confidence.

1882

In August 1882, Joseph Flach came to London from Germany to set up a botanical international trading house.

1938-45

Joseph Flach & Sons Ltd assisted in the collection of plants to help the war effort and the factory was bombed in the blitz.

2015

Anthony Benton acquires Joseph Flach & Sons Ltd from the Flach family and the business gains ISO 22000 and kosher accreditations.

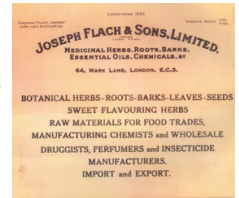

2022

Mimea Mauzo Limited is set up, to directly serve orders for smaller fixed quantities of botanicals.

1927

Joseph Flach & Sons is incorporated into a limited company.

1988

Joseph Flach & Sons Ltd moves into a 3,000 square foot warehouse in Peterborough.

2016-21

Joseph Flach & Sons Ltd moves into a 20,000 sq foot warehouse and grows the team from 5 to 15.

2022-26

Jo Dobson is appointed as Finance and Operations Director. Joseph Flach & Sons Ltd gains UFAS and BRC accreditation and is awarded organic status. The team grows to 25.
